

YUMI LASH LIFT

POST-CARE INSTRUCTIONS

For the first 24 hours following your treatment:

- Do not allow water to come into contact with your eyes or lashes
- Do not apply any cleansers, or creams around the eye area
- Avoid touching or rubbing your lashes
- Do not use any mascara or lash serums
- Avoid saunas, spas, swimming and steam
- Try not to sleep with your face against the pillow

Everyday maintenance for your Yumi Lash Lift:

- Use Yumi Lashes Keratin Mascara every day to keep your lashes healthy, strong and conditioned
- Avoid waterproof mascara as it can be more damaging to the natural lashes
- Do not use eyelash extensions while you have a lash lift as you will increase the risk of damaging your natural lashes
- Your lash lift will last between 8-10 weeks depending on your natural lash growth
